

September 8, 1952

Dear Friends of Dallas Christian College:

The "famine month" is weathered without the need of red ink. Inclosed is our financial report AND the "most worthy of reading" letter you have ever received!

1. Prophecy Fulfilled!

Completed registration plus word from those not yet arrived assures that we will double last year's number with room to spare. 6 states & 1 foreign country represented!

2. School days, School Daze, & Golden Rule Days!

Monday, Sept. 8th, saw the initial registrations of the 1952-1953 scholastic year. Orientation lectures concerning rules, regulations, school plan, procedure, program, etc. were clarified to forward a perfect year. The wonderful spirit of the fine students you have sent gives final & conclusive evidence that this will be our greatest year.

3. A Perfect Fit!

The Girl's Dorm & President's home could not have been better designed for the purposes served. Our hearty thanks to the wonderful ladies of the Rylie Christian Church & the Cole Park Christian Church for beautifully furnishing two rooms. We think the ladies of the East McKinney Christian Church WILL FURNISH THE OTHER. If others come we will fix up a basement room. Our college graduate girl visitors say, "It's ideal".

4. The "Right" Campaign Button!

Payment of \$2,500.00 on new property is due Oct. 15, regular monthly payments thereafter. Our forward-looking Board of Trustees is committed to raise \$1000, the faculty under Brother Newland's leadership \$1500. Needless to say we need your prayers & support. Send gifts for this to Brother Lawrence Fugit or Brother Vernon Newland.

5. Sounding the Dinner Bell!

The D.C.C. Boarding Club will feed the students at cost. Since our cook is sick, the faculty wives are serving meals temporarily. We have a wonderful fellowship. Saving thus will help those in full-time service. We're happy to receive extra canned goods.

6. Fellowship in the Faith!

D.C.C. has a part in the Fifth National Missionary Convention at Dodge City, Kansas, Sept. 24-28, the Carthage (Missouri) Christian Convention, Sept. 30-Oct. 2, and the Midwest Christian Convention at Oklahoma City, Okla., Oct. 14-16. We are proud to cooperate and work with those of like precious faith to forward Christ's cause. Support these & the Texas Christian Convention and Conference on Evangelism, Nov. 11-13, a Red letter Must!

7. READ AND REJOICE!

1. "A Texas Friend" paid August property payment! Will others help with \$150?
2. Three more Christian Churches have asked for the services of D.C.C. preachers!
3. Buzzer system for telephone & extension, and bell system for classes are installed!
4. D.C.C. faculty traveled 25,000 miles in the Lord's service during the last 2 months.
5. Office procedure & secretarial work streamlined under efficient new Secretary, Mrs. Elizabeth Taylor!
6. Advance word indicates larger quarters necessary for banquets & other meetings of the Texas Christian Convention & Conference on Evangelism. Praise God and come on!
7. Over 1000 volumes added to D.C.C. library in 6 weeks, $\frac{1}{2}$ more than last year's total.
8. Piano & Secretarial training added to curriculum this year; goal-every student a typist! Practical and efficient Church Secretary wherever wanted!
9. Completed painting of entire inside of D.C.C. almost-it really makes a difference!
10. Registration & orientation in am yet before nightfall of 1st day over 3/4ths of students needing work had the job they wanted!
11. Increased interest and support of Christian Churches in near-by communities is heartening!
12. Setting our sights for a goal of ONE-HUNDRED (100) students for year of 1953-1954!

May we all put forth increased and renewed efforts in His work this school year.

Yours in His service,

J. Thomas Segouel
